Importance of food production

To U.S.:

To allies:

Examples of citizens rejecting sacrifices

Name:

How can self-sacrifice effect the population and war effort?

Why would some groups reject sacrifices?

**How could the rejection of
self-sacrifices affect the war effort?**

**How did the government and US
citizens treat groups that rejected
sacrifice for the war?**

**Was the government justified to treat
dissenters the way it did?**
