

What is rationing? Give examples of some items that someone might give up to support a war.

Go through “*Over Here*” and *The War at Home* exhibition areas and investigate examples of the following:

Neutrality	
Nationalism	
Pacifism, Who opposed the war and why	
Patriotism and self-sacrifice	
Shortages, and how the government and groups attempted to compensate	
New York State’s diverse population	

Name:

Using the information gathered, use historical context to draw parallels about the WWI issues above to issues in modern America and Europe	
Neutrality	
Nationalism	
Pacifism, Civilian population opposed to the war and why	
Patriotism and self-sacrifice	
Shortages, how the government and groups attempted to compensate	
Diverse population	

Name:

**Now determine a nation's need for citizen action, and the different ways people reacted to this need.
Use past or current examples**

Why government's needed Citizen Action

Ways people react to government policy

Wrap up:

Why do governments need citizen participation?

Can civilians be patriotic but not sacrifice?

Is rationing a government control that should be used? Why?
